AMADOR COLL VERGER "Personal Identity"

21.07.11 - 25.09.11

Opening Thursday 21 July at 7 pm

The CCA ESPAI is pleased to present the new exhibition of the Majorcan artist Amador Coll Verger (Palma, 1958), "Personal Identity", which presents his latest works.

The exhibition shows an evolution in the artist's career. The signs and collages of previous eras are simplified giving rise to a new series of works made of acrylic paint and lacquers and presented in various formats.

The works of Amador Coll Verger have been showed in a number of solo and group exhibitions in galleries of Spain as well as Belgium, Switzerland, Italy and Germany. He has also participated in two international biennials, the Frankfurter Buchmesse 2004 and the Miami Art Biennial 2005.
