OLIMPIA VELASCO "In non-places "

29.09.11 - 11.03.12

Opening Thursday 29 September at 7 pm

ESPAI CCA is pleased to present the new exhibition of the artist resident in Palma de Mallorca, Olimpia Velasco (Madrid, 1970). Graduated in Fine Arts by the Universidad Complutense of Madrid in 1997, Olimpia is a very versatile artist whose work spans multiple languages such as installation art, drawing, painting, sculpture and performance.

Her works have a same starting point, the set of lines and colors. Each work develops a network of lines which link up and tangle, giving as a result a colorful forest of lines.

Her work has been exhibited in many galleries in Spain, France, Germany, Greece, Italy and South Korea.
