CCA Andratx cordially invites you to the opening Friday August, 8th at at 7pm at CCA Espai

CCA Andratx is pleased to present the new exhibition by the Spanish artist José Luis López Moral (Madrid, 1966). The project "Espacios de recuperación del paisaje" shown in the CCA ESPAI, breaks with the photographic traditions of the 21st century and approaches a search for the new and hidden.

The exhibition shows an attempt to grasp the incomprehensible through the artistic interpretation of Spanish landscapes and lead the viewer to picture their surroundings far from the conventional and touristic eye. Ranging between the tradition of romanticism and notions of pictorialism, the photographs not only confront the viewer with the helplessness of humans facing the immensity of nature, but also convey the charm of the unknown. Instead of denouncing the abandoned landscapes, he shows the hidden beauty in places left to their own self-destruction that may escape our understanding and are out of reach, following the tradition of romanticism.

José Luis López Moral's work has been exhibited in numerous galleries, including individual shows and collaborations in the Galería Liebre Madrid, the KIAF Korean International Art Fair 2006, Art Miami 2006 and 2007 and the Casa de cultura Can Gelabert, Binissalem, Mallorca.
