CARSTEN FOCK "Goodbye and Hello"

25.07.13 - 22.09.13

The CCA Andratx is pleased to present the latest art project of renowned German artist Carsten Fock. Throughout his stay at the CCA Artist-in-Residence Program, during the month of July 2013, he has developed a collection created specifically for the CCA Kunsthalle. The show comprises about 30 pieces, ranging from drawings on paper and canvas paintings to a spectacular wallpainting.

Carsten Fock's artistic procedure bends into his work the result of deep self-exploration into feelings, sensations and social and political thoughts, resulting in very strong energetic works. Using the Expressionist formal language, his work presents symbols and signs that help to shape his catharsis exercise, allowing to express all his personal and social contradictions.
