ANIMAL COMPANIONS

19.08.10 - 14.12.10

CCA-Andratx is pleased to present an exhibition of collaborative paintings by New York artists Jennifer Coates, Holly Coulis, Ridley Howard and David Humphrey. Each painting was made with a different sequence of artists using the same division of labor, in which one artist would paint the location and two others would provide the protagonists.

These representational works, painted during their shared time in the CCA's studios, stage relationships between people, animal others and representational styles.
