IÑAKI GRACENEA, "Marentus"

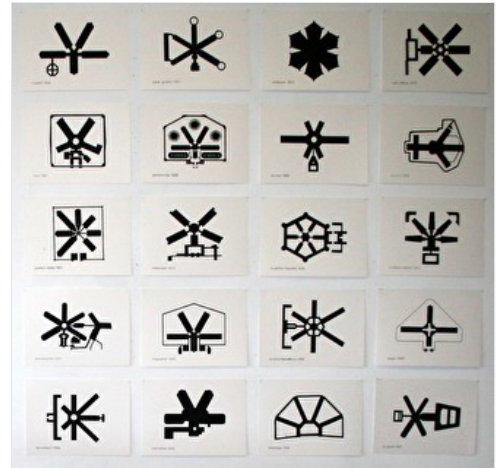

25.07.14 - 21.09.14

CCA Andratx cordially invites you to the opening next Friday, July, 25th at 7pm at CCA Andratx

The CCA Andratx is pleased to present the new exhibition by the Basque artist **Iñaki Gracenea** (Hondarribia, 1972). **Marentus** presents a body of work created specifically during his stay at the CCA Artist-in-Residence Program during the month of July 2014.

This artistic project aims to study the penitentiary system, both architecturally and in its impact on the individual. The prison architecture of the 19th Century becomes the basis the artist uses to create a whole collection of organic forms based on the rationality of different prisons floor plans. But on the other hand, those who inhabit these prisons are studied too, as in **Marentus** symbolic issues such as violence, freedom, control, privacy, individual, group, community, punishment and routine are treated.

Iñaki Gracenea's work has been featured in numerous national and international exhibitions. Highlights his recent solo exhibition, "Memorabilia" in District 4 Gallery in Madrid. In addition, his work has also been presented in several editions of the Contemporary Art Fair of Madrid, ARCO, and in the ViennAfair and FIAC in Paris During 2006, and Art Forum, Berlin and FIAC in Paris in 2003.
